

Independent Auditor's Report
To the members of YES Securities (India) Limited

Report on the Audit of the financial statements

Opinion

We have audited the Financial Statements of YES Securities (India) Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended on that date, notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information ("the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the standards on Auditing ("the SAs") specified under section 143(10) of the Act. Our responsibilities under those SA are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for preparation of other information. The other information comprises information included in the Company's annual report but does not include the Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the other information, if, we conclude that there is a material misstatement therein, we are required to communicate the matters to those charged with governance.

Management Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit /loss and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system with reference to Financial Statements in place and the operating effectiveness of such controls.
- c. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- e. Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

Annexure A to Independent Auditor's Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of YES Securities (India) Limited.

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property Plant and Equipment including intangible assets.
- (b) According to the information and explanations given to us fixed assets were physically verified during the year by the management and no material discrepancies were noticed on such verification.
- (c) The Company does not have any immovable property. Accordingly, clause 3(i)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us company has not revalued its property, plant and equipment or intangible assets during the year.
- (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2023 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) The nature of the Company's business is such that it is not required to hold any inventories and, hence, reporting under clause 3(ii) of the order is not applicable to the Company.
- (b) The Company has been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate, from banks and financial institutions on the basis of security of current assets. The quarterly returns and statements filed by the Company with such banks and financial institutions are in agreement with the books of account and records of the Company.
- (iii) (a) As a part of its business, the Company has provided margin trading facilities to its customers (which are secured by way of margins placed by the customers or pledge of securities of the customers) during the year 2022-2023. Further during the year company has made investment in Alternate investment fund for the purpose of continuing interest as a investment manager. The details thereof are as under:

Rs. In crores

	Guarantees/ Security	Investments	Loans	Advances in nature of loans
Aggregate amount granted/provided during the year				
- Subsidiaries	--	--	--	--
- Joint Ventures	--	--	--	--
- Associates	--	--	--	--
- Others	--	2.57	--	94.46*
Balance outstanding as at balance sheet date in respect of above cases				
- Subsidiaries	--	--	--	--
- Joint Ventures	--	--	--	--
- Associates	--	--	--	--
- Others	--	10.00	--	359.49

* the management has represented that the margin trading facilities are in the nature of running accounts where the customers can utilise the facility depending on the margins available and therefore amounts granted during the year are not specifically available. The amount reported is the incremental figure of such facilities over the year ended 31st March 2022.

- (b) The grant of all loans in the nature of margin trading facility and the investments made are prima facie not prejudicial to the Company's interest.
- (c) The nature of the margin trading facility is such that there is no schedule of repayment stipulated. Accordingly, clause 3(iii)(c) of the Order is not applicable.
- (d) Since there are no specific due dates for the margin trading facilities, clause 3(iii)(d) of the Order is not applicable.
- (e) There are no renewals or extensions done by the Company in respect of margin trading facilities. Accordingly, clause 3(iii)(e) of the Order is not applicable.
- (f) The Company does not have a Promoter. Further, no margin trading facilities have been granted to related parties. Accordingly, clause 3(iii)(f) of the Order is not applicable.

- (iv) There are no loans, investments, guarantees and securities granted in respect of which provisions of section 185 and 186 of the Act are attracted. Accordingly, clause 3(iv) of the Order is not applicable to the Company.
- (v) Basis the legal opinion obtained by the Company in the earlier years, management had concluded that the non-interest-bearing and non-refundable amount received by YES Securities (India) Limited towards brokerage under SVSP will not fall within the ambit of the term 'deposit'. Besides this, the Company has not accepted any deposits to which the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under apply. Accordingly, clause 3(v) of the Order is not applicable to the Company.
- (vi) The Central Government has not prescribed the maintenance of cost records under section 148(1) of the Act, for any activities conducted/ services rendered by the Company. Accordingly, clause 3(vi) of the Order is not applicable to the Company.
- (vii)
 - (a) The Company is regular in depositing with the appropriate authorities undisputed statutory dues including provident fund, employees' state insurance, income tax, sales-tax, goods and service tax, cess and other material statutory dues applicable to it. According to information and explanations given to us, no material undisputed amounts payable were outstanding, at the year end, for a period of more than six months from the date they became payable.
 - (b) There are no dues of income tax, value added tax, sales tax, service tax, duty of excise and duty of custom which have not been deposited with the appropriate authorities on account of any dispute as at March 31, 2023.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix)
 - (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
 - (b) The Company has not been declared a wilful defaulter by any bank or financial institution or other lender.
 - (c) The Company has utilized the money raised by way of terms loans during the year for the purpose for which they were raised.

- (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company does not have subsidiaries, associates or joint ventures during the year & therefore paragraphs 3(ix)(e) and (f) of the Order is not applicable to the Company.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) during the year and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) According to the information and explanation given to us, no fraud by the company or any fraud on the company was noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year and upto the date of this report, while determining the nature, timing and extent of our audit procedures.
- (xii) The Company is not a Nidhi Company and hence, reporting under clause 3 (xii) of the Order is not applicable.
- (xiii) The Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.

- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of & the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a) and (b) of the Order is not applicable.
- (b) The Company is not a Core Investment Company and there is no other core & investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(c) and (d) of the Order is not applicable.
- (xvii) The company has not incurred cash loss in the current and preceding financial year.
- (xviii) During the year, there has been no resignation of the statutory auditor hence reporting under this clause is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and it should not be construed as a guarantee or assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) In view of past losses, provisions of Section 135 of the Companies Act, 2013 are not & attracted during the year. Accordingly reporting under clause 3(xx)(a) and (b) of the Order is not applicable.

(xxi) The Company is not required to prepare Consolidated Financial Statements and therefore reporting under clause 3(xxi) of the Order is not applicable for the year.

Annexure B to the Independent Auditor's Report of even date on the financial statements of YES Securities (India) Limited

(Referred to in paragraph (iii) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the Members the Company)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

We have audited the internal financial controls with reference to Financial Statements of YES Securities (India) Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls with reference to Financial Statements were operating effectively as at 31 March 2023, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("the ICAI").

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial

controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls with reference to financial statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to Financial Statements includes those policies and procedures that –

- a. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- b. provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- c. provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements;

Inherent limitations of internal financial controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future

periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

2 Summary of significant accounting policies

2.1 Basis of preparation

The accompanying financial statements have been prepared and presented on the accrual basis of accounting and comply with the Accounting Standards specified under section 133 of Companies Act 2013, the relevant provisions of the Companies Act, 2013 and other accounting principles generally accepted in India, to the extent applicable. The financial statements are presented in Indian Rupees. The accounting policies set out below have been applied consistently to the periods prescribed in the financial statements except otherwise disclosed separately

2.2 Use of estimates

The preparation of the financial statements, in conformity with generally accepted accounting principles (GAAP), requires management to make estimates and assumptions that affect the reported amount of assets, liabilities and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon Management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.3 Revenue recognition

Broking income

Brokerage income is recognised as per contracted rate on execution of transaction on behalf of the customers on the trade date.

Subscription fees

Fee for subscription based services are recognised as earned on a pro rata basis over the term of the plan.

Investment banking income

Fee income from Investment banking / Merchant banking services are recognised based on completion of milestone as per the engagement letter. Further Fee income in relation to

Interest on Delayed Payment

Charges on Delayed Payment are recognised on accrual basis.

Other Income

Interest income, account opening income and other income is recognized on accrual basis.

2.4 Property, plant and equipment

Property, plant and equipment are stated as cost less accumulated depreciation / amortisation and provision for impairment. Cost comprises the purchase price and any cost attributable for bringing the asset to its working condition for its intended use.

Intangible assets are amortised over their individual estimated useful life on straight line basis, commencing from the date the asset is available for the intended use

Property, plant and equipment are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset with future net discounted cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment is recognised by debiting Statement of profit and loss and is measured as the amount by which the carrying amount of the assets exceeds the fair value of the assets.

2.5 Depreciation & Ammortisation

Based on the nature of Property, plant and equipment used by the Company and past experience of its usage, the Company considers that the useful life for respective assets as disclosed below is appropriate.

Nature of Property, plant and equipment		Management Estimate of useful life in years
Office equipment		5
Computer - servers and networks		3
Computer software		4
Vehicles		5
Furniture and fixtures		10
Leasehold improvements to premises		Over the lease period or 9 years whichever is lower

Assets costing less than Rs. 5,000 are fully depreciated in the year of purchase.

For the assets purchased/sold during the year, depreciation is being provided on pro rata basis by the Company,

For Vehicles class of PPE, lower amount of estimated life decided basis its active use in the business & For Computer Software class of PPE, higher amount of estimated life decided basis its use in the business.

2.6 Foreign currency transaction

Transactions in foreign currency are recorded at the exchange rate prevailing on the dates of transactions. Monetary assets and liabilities denominated in foreign currency, remaining unsettled at the balance sheet date are restated at the closing exchange rates. Gain/Loss arising on actual payments / realizations and year-end restatements are recognized in the Statement of profit and loss.

Summary of significant accounting policies (Continued)

2.7 Employee benefits

Provident fund

The Company contributes to a recognised provident fund which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognised in the Statement of profit and loss.

Gratuity

The Company provides for gratuity, a defined benefit plan, covering eligible employees. The plan provides for lumpsum payments, to vested employees at retirement or upon death while in employment or on termination of employment for an amount equivalent to 15 days eligible salary payable for each completed year of service if the service is more than 5 years. The Company account for the liability for future gratuity benefits using the projected unit cost method based on annual actuarial valuation. The discounted rates used for determining the present value are based on the market yield of Government Securities as at the balance sheet date.

Actuarial gains and losses arising from experience adjustments and change in actuarial assumptions are recognised in the Statement of profit and loss in the period in which they arise.

Compensated absences

The employees of the Company are entitled to compensated absence. The employees can carry forward a portion of the unutilized accrued leave balance and utilize it in future periods. The Company records an obligation for compensated absences in the period in which the employee renders the service that increases the entitlement. The Company measures the expected cost of compensated absence as the amount that the Company expects to pay as a result of the unused entitlement that has accumulated at the balance sheet date on the basis of actuarial valuation.

2.8 Taxation

Income tax expense comprises of current tax (i.e. amount of tax for the year determined in accordance with the income tax law) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the year).

Current tax

Current tax expense is recognized on an annual basis under the taxes payable method, based on the estimated tax liability computed after taking credit for allowances and exemption in accordance with Indian Income-tax Act, 1961.

Minimum alternate tax (MAT)

The Company recognises MAT credit available as an asset only to the extent that the Company, based on reasonable evidence, will be able to recoup / set off MAT credit against income tax liability during the specified period i.e. the period for which MAT credit set off is allowed. The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have reasonable evidence that it will be able to recoup set off of MAT credit against the income tax liability during the specified period.

Deferred taxation

Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences between the carrying values of assets and liabilities and their respective tax bases, and operating loss carry forwards. Deferred tax assets and liabilities are measured using the enacted or substantively enacted tax rates at the balance sheet date.

Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in future. In case of unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognized only if there is virtual certainty of realization of such assets supported by convincing evidence. Deferred tax assets are reviewed at each balance sheet date and appropriately adjusted to reflect the amount that is reasonably / virtually certain to be realized.

2.9 Earnings per share (EPS)

The Company reports basic and diluted earnings per share in accordance with AS - 20, Earnings Per Share. Basic earning per share is computed by dividing the net profit attributable to the equity shareholders by the weighted average number of equity shares outstanding during the year. Diluted EPS is computed by dividing the net profit attributable to the equity shareholders, for the year, by the weighted average number of equity and potential equity shares outstanding during the year, except where the results would be anti dilutive.

2.10 Lease

Lease where the lessor effectively retains substantially all risks and benefits of ownership are classified as operating lease. Operating lease payment are recognised as an expense in the Statement of profit and loss on a straight line basis over the lease term.

2.11 Provisions and contingencies

The Company makes a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure of a contingent liability is made when there is a possible obligation or present obligations that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions would be reviewed at each balance sheet date and adjusted to reflect the current best estimates. If it is no longer probable that an outflow of resource would be required to settle the obligation, the provision is reversed.

Contingent assets would not be recognized in the financials. However, contingent assets are assessed continually and if it virtually certain that an inflow of economic benefits will arise, the assets and related income are recognized in the period in which the change occurs.

2.12 Investments

Investments are classified into long term investments and current investments. Investments which are intended to be held for more than one year are classified as long term investments and investments which are intended to be held for less than one year are classified as current investments. Long Term Investments are stated at cost after deducting provision made, if any, for other than temporary diminution in the value. Current Investments are stated at lower of cost and market/ fair value.
